60% Design Update
Section 7A
Feb. 17, 2015

Seminole County – More than 213 people attended the Florida Department of Transportation (FDOT) public information meeting on Feb. 17 about the Wekiva Parkway Section 7A in Seminole County. Attendees reviewed exhibits illustrating the 60 percent design plans, viewed a narrated PowerPoint presentation and got their questions and concerns addressed by project staff members.

The project is funded for construction in 2017. The Section 7A project limits are on State Road (SR) 46 from east of River Oaks Circle to Orange Boulevard. The project consists of designing 3.53 miles of limited access toll road along the SR 46 corridor, parallel, non-tolled, frontage roads for local travel, bridges and roundabouts at intersections under the parkway for enhanced safety.

The meeting was held Tuesday, February 17, 2015, from 5:30 p.m.-7:30 p.m. at The Rock Church, 6641 W. SR 46, Sanford, FL 32771. Among the many questions we addressed last night, besides those about individual property impacts, were: noise concerns, impacts of the parkway on property values; height of the parkway and how close it will be to communities; concerns about having to make U-turns, lack of ability to turn left out of some communities; construction schedules & impacts; and the right of way acquisition process.

Attendees submitted 11 comment forms, and seven (7) public meeting performance evaluation surveys.

- Header:** WEKIVA PARKWAY logo, "Completing Central Florida's Beltway", and navigation links: HOME, FDOT SECTIONS, CFX SECTIONS, SECTIONS BY COUNTY, PROJECT HISTORY, FAQ, CONTACT US.
- WELCOME:** A paragraph of introductory text and a list of project goals:
 - Widening seven (7) miles of SR 46 in Lake and Seminole Counties
 - Rebuilding the US 401/SR 46 interchange in Mount Dora
 - Shifting the CR 666 connection to SR 46 so wildlife can move more safely between habitats
- WEEKIVA PARKWAY PROJECT SECTION MAP:** A map of the project area with various sections highlighted in green and purple. A legend indicates "FOOTPRINT SECTION" and "CFC SECTIONS".
- LATEST NEWS:** A list of recent news items with dates from April to June 2014, including public meetings and project updates.
- PROJECT DOCUMENTS:** Links for PRESENTATIONS and PRESS RELEASES.
- CONTACT US:** Contact information for Mary Brooks, Public Information Officer, including an email address and phone number.
