

## SECTION 1 (429-202 & 429-203) PROJECT OVERVIEW

**Project Limits:** From north of US 441 near Plymouth Sorrento Road (County Road 437) to north of Kelly Park Road

**Project Length:** 4.6 miles

**Final Design Duration:** June 2012 – Early 2014

**Construction Duration:** Late 2014 – Late 2016

### **Project Descriptions:**

**Section 1A (429-202):** This limited access roadway from south of the Connector Road (between US 441 and Plymouth Sorrento Road) to just south of Ponkan Road will include a northbound on-ramp and a southbound off-ramp at the Connector Road, as well as bridges at the Connector Road, Southfork Drive, Yothers Road, Ponkan Road and other locations.

**Section 1B (429-203):** This project section, which begins just north of Ponkan Road, will include a new interchange at Kelly Park Road to provide access to and from SR 429.

**Special Features:** The Wekiva Parkway will include all electronic tolling for the greatest customer convenience and to maximize traffic flow. The parkway also will include aesthetics features, which are currently being designed.
