- CONSTRUCTION UPDATES:** Welcome to your construction information source for the Wekiva Parkway, the 25-mile toll road that will complete Central Florida's Beltway. Here you can find out about construction schedules, lane and road closures, and detours. You can also view the latest community presentations, or request an update for your group. Just click on the appropriate button below.
 - Construction on the Wekiva Parkway is being done in sections by the Central Florida Expressway Authority (CFE) and the Florida Department of Transportation (FDOT). FDOT began work on the first sections – 4A and 4B – on Feb. 15, 2013. These two design-build sections extend from Mount Plymouth Road (County Road 425) north of Hessa Road in Orange County, to State Road 40 east of Cerry Challenge Road in Lake County. Work on this section is scheduled to finish in early 2016.
 - CFE on June 5, 2015 began construction Section 1A, and is slated to start work on Section 1B on August 3, 2015. Work on this portion from near US-441 and Plymouth Somersio Road to near Parkway Road is scheduled to finish in spring of 2017.
- SCHEDULE:** Check out the latest construction schedule for the Wekiva Parkway. (Includes a Gantt chart showing project phases from 2013 to 2017.)
- ALERTS:** Prepare for your travel by finding out the latest news on lane and road closures and more. (Includes an image of orange traffic cones.)
- COMMUNITY PRESENTATIONS:** Schedule a project update for your community or group. Check out the latest presentations on the Wekiva Parkway. (Includes an image of a community meeting.)
- VISUAL GALLERY:** Want to see the latest photos and video on how the Wekiva Parkway is taking shape? [CLICK HERE!](#) (Includes an image of a bridge under construction.)
