

## SECTION 8 (FPID No. 240200-4) PROJECT OVERVIEW

**Project Limits:** From Orange Boulevard, just south of State Road (SR) 46, to east of Rinehart Road along SR 417

**Project Length:** 2.63 miles

**Project Status:** 15% Line and Grade Design

**Project Schedule:**

Right-of-Way Acquisition:	2015-2017
Advertise for Bids:	2018
Design/Construction:	2019-2021

**Design/Construction Cost:** \$230 million

**Section 8 Project Description:** This design-build project involves an elevated, limited access toll road from Orange Boulevard to east of Rinehart Road. The project includes the parkway interchange at I-4 that will connect with SR 417, completing the beltway around Central Florida. New interchange ramps also will provide access to and from International Parkway.

**Special Features:** A toll gantry will be built on this section. The Wekiiva Parkway will include all electronic tolling for the greatest customer convenience and to maximize traffic flow. The toll costs have not yet been determined.

The parkway also will include aesthetics features, which are currently being developed.
